What are the benefits available to me at these merchants?

There are two distinct ways in which you can benefit when you pay with your Mastercard

- The Merchant Offer is a specific promotion available at designated merchants. This is the unique deal extended to you by a merchant, like "Get 10% off your bill when you pay with Mastercard."
- The McLaren Mastercard Formula 1® Team Official Merchandise Reward Program is a reward redemption program where you progress towards redeeming by spending at any or *all* Mastercard accepting locations across Singapore.

Once you achieve a cumulative of S\$ 1000 in 10 offline transactions or fewer transactions on your Mastercard between 24 September – 13 October, 2026, you can redeem a McLaren Mastercard Formula 1® Team Official Merchandise at one of the redemption centres.

You do not have to spend this amount in one transaction.

You can use your Mastercard across one or multiple Mastercard accepting locations across Singapore to reach this spending requirement.

In short, with Merchant Offer you enjoy a benefit at a participating merchant, while the McLaren Mastercard Formula 1® Team Official Merchandise reward program is a cumulative reward that you can redeem on fulfilling the required criteria across any or all spends on your Mastercard in Singapore during the campaign period of 24 September to 13 October, 2026.
